Notable Contributions From Lieutenant Charles Given, Colonel Lawrence O'Bannon, Captain Harry Hamilton, John S. Waters and General William R. Cox.

JOLD BY THOSE WHO WERE PRESENT.

TOLD BY LIEUT, CHARLES GIVEN.

I have always believed that in close fighting one could see what the enemy was doing betfor than he could what was going on among to as what our own folks were doing was when a fellow had a sink call to the year, and the tendency that way was pretty strong inthe first light or two. In actual bravery I will the Varians would down. naver could see any difference between the man in blue and the men in grey, for out West, where I put in my time, they were just I believed Oscar own bent sent down with the about this same kind of devil-may care fall.

I believed Oscar Dent sent down with the about this same kind of devil-may care fall.

But, as I was eaving, when we get close up boost a few oars length away. there was a lighter change to see the individuallegts of the enemy time of our own men. I mins the survivors of the lattic or corint fought Nevember \$3 and 4th, 1862, will agree
